## **Christmas Party**

There is going to be a Christmas Party for homeowners and residents at the clubhouse on December 5th from 6:30pm—9:30pm.

## **Clubhouse Rental**

Sheila Kerns is the new contact in the customer service department at CMS if you would like to reserve the clubhouse.

## **Laundry Room**

Please make sure to close and lock the sliding glass doors each time you leave the laundry rooms. This will help avoid non residents from getting into the laundry rooms. In the past clothes have been stolen and homeless have been found sleeping in these rooms. Please also shut off the lights when you leave the room. If you by chance left some pillows in laundry room 4. Please remove them.

## **Vandalism**

There have been some recent reports of vandalism to vehicles onsite. Be vigilant, if you notice someone on site who looks suspicious or like the do not belong, call the POLICE.

## **New Roofs**

The roofs are starting on the last two roofs. Project should be completed in the next month.

## **Windows**

You must obtain approval from the architectural committee before replacing your windows. There is information on the Cypress Point Lakes website that will answer many of your questions before you start the process.

## **Clubhouse Rentals**

The clubhouse can be rented by any member for private functions of up to 26 people any day of the week, as long as the arrangements are made and deposits are received no later than 14 days in advance. Pre- and post inspections of the facility need to be made before the deposit can be returned. Keys can be picked up from the CMS management office prior to the event and need to be returned to the management office the next business day after the event. Arrange for rental of the clubhouse by calling Sheila Kerns in CMS customer service department at 408-559-1977. A deposit check of \$100 is required and should be sent two weeks ahead of the event.

## **Broken Laundry Machines**

Broken laundry machines should be reported to Webb Laundry. Their 800 number is located in all of the laundry rooms. You will need to provide Webb Laundry with the number on the broken machine and the location of the laundry room. Webb Laundry' contact number is 1-800-824-7780.

## **Community Management Services Inc.**

## Plumbing Repairs to your Unit

If you need some plumbing work done to your unit, the procedure to be followed is:

- make arrangements with your plumber a week or so in advance
- Determine whether your plumber requires the water to be shut off to the building or only to your unit, such as under your sink; if only to your unit, no need to involve the Association
- Contact customer service at CMS (408-559-1977) and advise them that you will need to shut the water off to your building between 10 am and 2 pm on a Friday. Water is only shut off on Fridays.
- CMS will contact the HOA plumber and make arrangements for the water to be shut off as you requested, at the expense of the Association.
- Prepare notices for each of the units affected and post them at the bottom of the stairs **at least 48 and preferably 72 hours before** water will be shut off.
- **IN AN EMERGENCY SITUATION**

Follow the same procedure as above and give your neighbors as much notice as possible.

It is particularly important that the Association plumber be used to turn the water off and on because of the procedure to be used with the re-circulation pumps. If you have your own plumber turn off the water and it is not turned back on correctly, or something gets broken, you will be responsible for the cost of the repair.

## Trash

Do not leave large items of trash at the dumpster areas. The garbage bins are for normal every day garbage, not furniture. The Association has to hire someone to remove these items. Please find alternatives for disposal of large items.

You will need to put shredded paper in a tied bag before discarding into the recycling bins. The shredded paper when dumped into the bin tends to blow all over the place and make a mess in the parking area. Your anticipated cooperation is greatly appreciated.

## After Hours Emergencies

For after hour emergencies that are associated with the properties functionality and safety please contact our management office at 408-559-1977, it is available 24 x7. Please only use the after hours service if you deem the situation to be an emergency, an on call manager will call you back to address the situation.
